Joys and Concerns

Unison Prayer

Contributed by Pastor Phillips

Dear Lord Jesus, We wish to sail on a peaceful sea, but life is restless with unfavorable winds and waves. We are weak and prone to give into doubts and fears and run from reality. Help us walk on faith, even when we come upon a storm. May we

yield to your full control, face the gale, and ride on the wave, for you will take us nearer to a safe haven through the tempest. This we ask in Jesus' precious name. Amen

Go now in peace. Never be afraid. God will go with

you each hour of every day. Go now in faith,

steadfast, strong and true. Know He will guide you

in all you do. Go now in love, and show you believe.

Reach out to others so all the world can see. God

will be there watching from above. Go now in

peace, in faith, and in love. Amen. Amen. Amen.
